### **Attendance/Forfeits/Reschedules**

Here's another opportunity for you to be cool!

- Free Agents/Individuals/Small Groups
  - If you're not planning on making it to a game, PLEASE let your teammates know!
- Captains
  - If your team cannot make it to a game, please let us know. If we get a 48 hour heads up, we can try our best to reschedule the match.

Everyone hates forfeits so we do allow subs during the regular season. If you can't field a team with subs, please let us know so that we can contact your opponent!

- *Please note that we cannot guarantee reschedules on forfeited games once the full season's schedule has been released.*

### **Quality**

We love your feedback! If you ever notice an opportunity for us to improve your league experience, please feel free to share! The most effective ways to influence change are:
